Soft Skills English, Hindi, Marathi

Tools VS code, Android Studio, Xcode, Postman, Flutter DevTools

EXPERIENCE

Flutter Intern

Nov 2022 - Mar 2023

Spotrental Bhopal

Bhopal MP

Here I worked on the live Spotbuy project, a platform for buying and selling second-hand vehicles. My contributions included integrating firebase for the vehicle registration of platform and displaying to other users. This experience provided valuable insights into the automotive industry and the challenges of building a successful e-commerce platform.

Jr. Flutter Developer

Jul 2023 - Oct 2023

Livinart Technologies PVT LTD.

Bhopal MP

Here I worked independently on several projects at Livinart, including an LMS and an Invoice Management system. During these projects, I gained hands-on experience with Flutter, Firebase, REST APIs, and CI/CD pipelines. This experience has equipped me with strong technical skills and the ability to work autonomously on complex projects.

Flutter Intern

Oct 2024 - April 2025

Milcko.

Bhopal MP

I worked independently on several projects at Milcko, an incubated company in an incubation center, focusing on consumer and farmer-centric applications. During these projects, I gained hands-on experience with Flutter, Firebase, Git/GitHub, and CI/CD pipelines. This experience has strengthened my technical expertise and ability to work autonomously on complex, real-world applications.

PROJECTS
